UDC President's message

Hello Campers and friends 2020 and part of 2021 has been a difficult time for all of us because of the pandemic, media misinformation, politics, and a bunch of other terrible things. It is with heart felt gratitude that many of the members of the deaf communities everywhere survived.

Having said that, let's all get out and gather around the campfire with friends and families this summer. Life is really short so let's make the best of it outside in the great Utah Outdoors. Come join with us at Knotty Pines RV Park and enjoy the Utah outdoor life together!
